“Goreeb & Yateem Trust Fund have supported me by building a house. I am a blind person and I am unable to do any other work. I would go around villages all day and beg, on one occasion I met Saleh Ahmed Hamidi, who asked me why I was begging, I explained that I had no one to look after me and that I am blind and I have two little children, unable to do anything else I beg, it was then that Goreeb & Yateem Trust Fund helped me by building a house and continue to support me with a monthly foodpack so that I don't need to beg anymore.”

Monthly Food Pack

“I would go around peoples homes and would work daily, at the end of the days work, whatever I had earned would be spent on the needs of my family. This was very hard for me as the work was very difficult at times and at times what I earned was not enough for me to provide one course meal for my family. Some days we go without any food. I am so grateful that Goreeb & Yateem Trust Fund provide us with monthly food packs, this helps us to have 3 meals per day. Some months we have left over, this helps us the following month.
