ANNUAL REPORT 2019

Executive Summary:

Assalamu Alaikum Wa Rahmatullahi Wa Barakathu

I would like to take this opportunity to thank all our donors and well-wishers for supporting us in the year 2019.

It was a pivotal year for the Goreeb and Yateem Trust Fund as our charitable spending combined from 2007 to 2019 exceeded the **£2m** mark on all our projects. Alhamdulillah, Goreeb and Yateem have been growing significantly in the last 3 years with our turnover being over £0.5m in 2019.

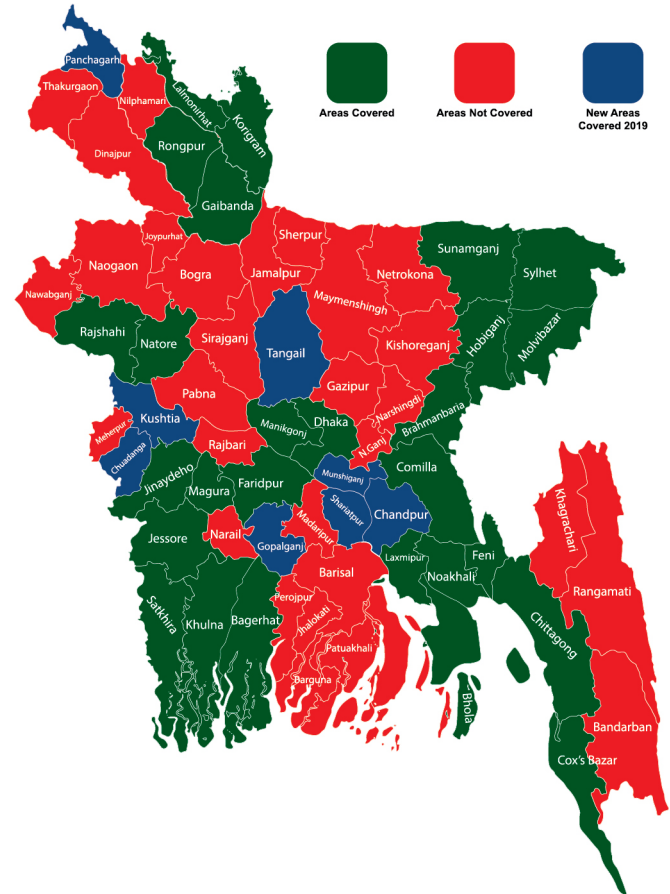

We also launched two new projects: Masjid Building and Fishing Boats, which have become quite popular with our donors. Alhamdulillah, on top of our existing programmes, we built 6 new Masjids and distributed close to 80 fishing boats. In addition, we have expanded our work into new geographical locations as you can see from our project map enclosed.

We would like to thank almighty Allah (swt) for allowing us to achieve this much as well as our donors and supporters. Our ambition is to grow even further and we want you to stay with us in this journey. Please kindly continue to donate generously as you have always. We would like to request that our donors set up regular weekly/monthly donations even if it is a small amount.

Finally, we pray that Allah (swt) accepts your donations and our efforts.
